

Dear Customers

We are pleased to announce that we have joined the **Science Based Targets initiative (SBTi)**

At group PPO, sustainability is more than just a buzzword. It is at the heart of everything we do. Objectives and commitments: Scope 1 and 2, as well as Scope 3.

As a leading importer of fruits and vegetables, we are committed to sustainable strategies designed to protect and support both the environment and the people throughout our supply chains.

On our website and on social media, we share insights into our sustainable practices and initiatives.

From the use of environmentally friendly transportation methods to the promotion of fair trade practices.

We show how we actively take responsibility.

Follow us to learn more about our commitment to a sustainable future in the fruit and vegetable trade.
